

U.S. Customs and  
Border Protection

4/16/2015

Xfinity Freight Systems Inc.  
Treasurer  
Kenan Selimagic  
25585 Sherwood Ave  
Warren, MI 48091

Dear Mr. Selimagic:

On behalf of U.S. Customs and Border Protection (CBP), I am pleased to welcome Xfinity Freight Systems Inc. as a certified partner in the Customs-Trade Partnership Against Terrorism (C-TPAT) program. By participating with CBP, you are making a vital contribution to help secure our borders and ensure the continued free flow of international trade.

Your role as a C-TPAT partner is to continue to ensure that appropriate security measures, based upon risk analysis and consistent with C-TPAT security criteria, are maintained in a documented and verifiable format throughout your international supply chains. C-TPAT partners must also have a documented and verifiable process for the selection of business partners and ensure these business partners develop security procedures consistent with C-TPAT security criteria. To meet these obligations and the security standards established under the C-TPAT program, it is necessary that a security self-assessment process be implemented that can be used to conduct regular reviews of your company's supply chain security program. These assessments should identify and institute any enhancements or updates to your supply chain program, and be verifiable and documented.

CBP's commitment to you, consistent with our goals of security and facilitation of trade, is to provide a secure process marked by the efficient release of goods and prompt resolution of CBP issues. At this time, CBP will proceed to provide Xfinity Freight Systems Inc. with C-TPAT benefits, which may include reduced cargo exams, training, and sharing of information.

I thank you in advance for your support in this evolutionary and cooperative effort to build a more secure and more efficient global trade environment.

Sincerely,

A handwritten signature in blue ink, appearing to read "Cheryl Bryce".

Cheryl Bryce  
Acting Director, C-TPAT  
Office of Field Operations  
U.S. Customs and Border Protection
